**Instructions:**

**If you are licensed as a commercial fisher, you are required by law to file this report. Failure to report is punishable by penalty.** If you did not fish during the month, check the “**Did Not Fish**” box and return to the Department of Natural Resources

Report all weights in pounds in the round (live weight) except for shovelnose sturgeon and bowfin eggs (roe) that is sold separate from the fish. Report egg (roe) sales in pounds.

The Iowa Department of Natural Resources must receive the reports no later than the **15<sup>th</sup>** day of the following month.

These reports when summarized are used as an index of Iowa’s fish and turtle populations. Accurate reporting is essential for proper management of Iowa’s natural resources. Please cooperate.  
Only one licensee and his designated operators shall report on this form.

**Fold Here**

**Mississippi River Commercial Fishers:** Please provide the monthly fish and turtle species harvested for each gear type, of each pool. (See example of form)

**Commercial Fishers license does not allow turtle harvest on inland waters.**
